Set on the banks of Melbourne's Yarra River against a backdrop of stunning city views, Alumbra was designed as a boutique venue with sophisticated space. Formerly an old docking shed, this historic 1882 wharf shed has undergone an extensive transformation.

With its ornate carvings, high ceiling, sheesha water pipes with flavoured tobacco and the gentle smell of incense, Alumbra has a distinctive Middle Eastern look and feel and offers a unique interior complete with polished ironbark sleeper flooring.

Alumbra is perfect for a cocktail party, product launch, private event or Christmas function and is available on both an exclusive and non exclusive basis. The cocktail list is extensive and features old classics such as Daiquiris and Margaritas as well as much more exotic creations as Mocca Buzz's and Zen Apples. The wine list includes a great selection of Australian wines with plenty of quality wines available by the glass. Beverage packages can be tailored to suit any style of function.

Our renowned Executive Chef Roland Gordon and his team offer a diverse range of menu options from gently spiced Moroccan to contemporary Australian cuisine. Alumbra is a part of The Atlantic Group (V). We believe for any event to be successful it must be both memorable and enjoyable. Our experienced staff look forward to assisting you with your next function ensuring it is a truly unforgettable experience.
